Louvolite Perfect Fit® is the most attractive and innovative window blind available on the market today. The system is unique because the window blind fits neatly into a stylish frame, which moves together with the windows and doors when they are opened and closed giving you the perfect combination of shade and ventilation.

Louvolite Perfect Fit® is a revolutionary system that enables window blinds to be fitted perfectly onto most double glazed windows and doors, with no holes drilled into your upvc frame! The unique Perfect Fit® blind fits neatly onto the window and enhances your privacy because there are no gaps down the side of the blind. Whether you select a contemporary design for the living room, a blackout fabric for the bedroom or a moisture resistant print for the bathroom, our blind collection in combination with the Perfect Fit® system is the ultimate in style.
